• The captain of both teams will be required to submit a post-match form to the league coordinator by 12:00pm Monday after their match or 12:00pm Friday if the match is on Wednesday. If, by that time, a captain fails to provide a post-match form and the opposition has, that score will be considered correct. If neither captain provides a post-match form, fixture will be voided. Contact 0118 3788799 or email e.m.hargreaves@reading.ac.uk

• The captain from each team will also be required to give a list of goal scorer’s names.
• All teams will be required to put their own nets on the goals, so it is advisable that you arrive at your fixtures early to allow you enough time to do this.
• At the end of your game you will be required to take the nets down, collect the corner flags and put them next to the goalmouths.
• The minimum period of notice to inform the league that you are unable to field a side is 72hrs from the day of the fixture. Anything less than this the game will be awarded to the opposing team as a walkover and a 3-0 score-line.
• If the league is notified within the 72hrs then the league coordinator will offer all available times, within the next month, for the game to be rearranged. If an appropriate time to rearrange the fixture cannot be found within that time, both teams will be awarded a point.
• Any rescheduled matches may be played on either the STP or at Bulmershe and could be on a weekday. Please note matches will need to be completed by 5pm on weekdays.
• Team captains can only rearrange fixtures due to academic circumstances i.e. field trips. Matches will be rearranged due adverse weather conditions or unsafe playing conditions (only staff at the SportsPark can call off fixtures for these reasons).
• A maximum of two players also competing for a University of Reading BUCS football team can be registered to play for a Campus Sport team. Players must bring along a form of ID so they can be checked against a list of RUFC players.
• All teams need to ensure that they leave the playing fields clean and tidy. Free from empty drinks bottles and other types of litter.
• All decisions made by the league co-ordinator are final.
• In entering a team into the league you agree to photos being taken and images used for in-house marketing purposes.
